

# DÉCO R STONE™

Decorative stone solutions

The use of cobblestones has experienced a revival, finding their way into modern & traditional landscape designs for the style-conscious urban market.

Designing a modern outdoor living area that blends well with its natural surroundings is now made possible with DécoR Stone's range of *natural granite interlocking cobbles on-mesh.*

*natural granite stone  
interlocking patterns  
straight cobbles & fan-shaped  
labour-saving installation  
6 colours  
3 surface finishes*

## *Cobbles On-Mesh*

# Colour Range

Décor Cobbles On-Mesh are available in six unique colours: Putian Red, Light Grey, Pink Quartz, Dark Grey, Yellow Granite & Putian Black. All colours that are available through this range come in three different surface finishes: tumbled, flamed & split.

This range also includes interlocking fan-shaped cobbles that are available in all six colours & finishes.

For more information, visit our website at [www.decorstone.com.au](http://www.decorstone.com.au).
