CRAZY PAVING

DécoR Crazy Paving has revolutionised the concept of modern landscape design and interior décor. This range quality and affordable *DécoR Crazy Paving* can help you *transform any living area* whether it is indoors or outdoors. Crazy Paving *adds natural texture and depth* to a simple area. Laying the interlocking patterns saves installation costs as the need to cut is considerably reduced.

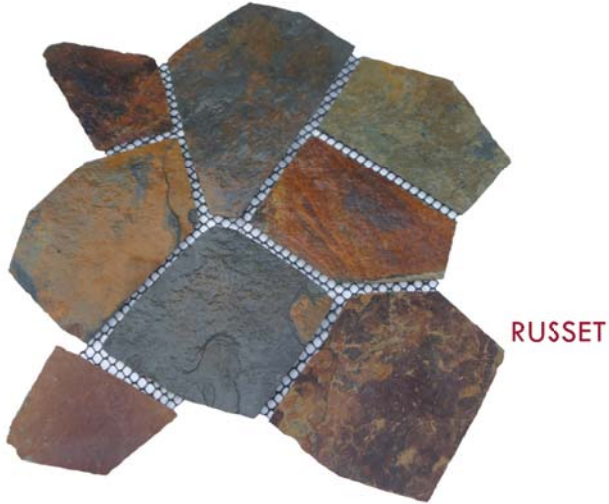

COLOUR RANGE

Russet and Bisque and Onyx are available in a rough and natural finish with an uneven surface finish. Ideal for internal and external projects when wanting to imitate the charm of the old world. Sahara (Bisque colour) is machine-cut and offers a more uniform surface finish. All colours are available in interlocking patterns. There are four pieces per m².
